World Vision Experience: AIDS

Come walk in the steps of a child living in an AIDS-affected community in Africa. This interactive exhibit features a stirring audio tour combined with captivating photography that will transport you to the heart of Africa. You'll gain a completely new perspective on the greatest humanitarian crisis of our time.

Parental discretion advised

Can you survive the journey of a child? Experience the lives of:

Kombo

Avoid the big trucks and the "Big Disease" as they roll past one boy's home at a truck stop along the AIDS Highway.

Mathabo

Feel the sting of abandonment as one girl faces hunger, assault, and disease—alone in the highlands of Lesotho.

Emmanuel

Face survival in the wild, as a young boy and his brother care for themselves after losing their mother and their home in Uganda.

Babiye

Enter the epicenter of AIDS in Africa, where a young girl watches her father die and her mother grow weak—and wonders if she'll be next.
